LB 320, 409, 591, 732, 754, 756, 853  
LR 63

they're paying the same level as everybody else in this state. As far as changing that fee, that would take a statute change. That is certainly a possibility as we move forward in the budget discussions of the biennial budget. But as far as actually removing the need for the deficit, it probably would be too late for that, even if we actually wanted to change that fee. And so that is why the difference there. And it probably, even if you wanted to change it from 35 to 50, with any other bill, it would take a statute change, you probably would not remove the need for the deficit, because we do need to hire a new person for Omaha. But that is certainly something that the body should keep in mind as we move forward on the biennial budget discussions later in the year.

SPEAKER BAACK: Thank you, Senator Moore. That was Senator Moore's closing. We will now proceed to vote on the advancement of LB 853. All those in favor vote aye, opposed vote no. We're voting on the advancement of LB 853. Have you all voted? Have you all voted? Record, Mr. Clerk.
